

## Rui Foundation and its Halls of Residence

Rui Foundation was established in 1959 with the aim of developing Halls of Residence devoted to the education of university students.

Rui Foundation has developed many educational activities, studies and research projects becoming a key player in the field of Higher Education towards the Italian Ministry of Education, University and Research, the European Institutions, Universities and Companies.

Rui Foundation is funding member of CCUM - Conferenza dei Collegi Universitari di Merito and is member of EucA – European University College Association. Rui Foundation manages 14 Halls of Residence in 6 Italian towns: Milan, Rome, Bologna, Genoa, Verona, Trieste.

Rui's Halls of Residence foster the cultural and human growth of university students through an educational program tailored on the students' needs. Halls of Residence provide a friendly living-learning environment that facilitate relationships, intercultural exchange and free debates. Rui Foundation helps students develop their talents, to make the most out of university and to be ready for the job market's challenges.

### B. Educational project

In Halls of Residence the learning path is developed through a continuous dialogue that begins with tutoring in the first university year, goes further with coaching and placement guiding towards the job market. This educational model is typical of Rui's Halls of Residence and is designed to fulfill students' needs through a tailored and flexible program for competences' development.

The program **JUMP Job-University Matching Project** ([jump.rui.it](http://jump.rui.it)) is a modular learning path including: **soft skills development, interdisciplinary courses, professional activities targeted to specific study fields** aiming at developing the competences requested by the job market. Thank to international agreements, the program is developed in a multicultural environment.

**Job-University  
Matching Project**

## 2. Entrance requirements

All Italian and international students can enter in Rui's Halls of Residence if they are enrolling for the academic year 2018-19 in every kind of University or Higher Education Institution and if :

- ▶ they passed the secondary school-leaving examination;
- ▶ they can provide documents about the attended university course with exams' list, grades and credits;
- ▶ they can provide the final qualification for first/second cycle university course;
- ▶ they have filled in the application form and passed the admission test, as indicated in the following point 3 of this call.

## 3. Application

The admission process has the following phases:

- A. filling in the on-line application form on MyCollege ([mycollege.fondazionerui.it](http://mycollege.fondazionerui.it));
- B. admission test in the chosen Hall of Residence;
- C. confirming the place;
- D. signing the contract.

### A. On-line application

The on-line application for Rui's Halls of Residence must be completed after signing up on **MyCollege platform** ([mycollege.fondazionerui.it](http://mycollege.fondazionerui.it)). The application form has different sessions; it is mandatory to complete the entire form with personal data and curricular information, uploading the following documents:

- ▶ students who are enrolling in the first university year:
  - photo;
  - curriculum vitae
  - school reports of the last three years of secondary school;
  - certificate of secondary school-leaving examination (if the application form is filled in before the examination, you can upload the certificate later); you should demonstrate to have been attending a secondary school for at least 12 years
  - family income (facultative, only if you'll apply for further financial aids);
  - other certification about extra curricular activities (facultative);
- ▶ students who are attending a university course:
  - photo
  - curriculum vitae
  - the final qualification for first cycle university course (if applicable) or in alternative a certificate proving the completion of one or two years of academic studies or post secondary qualification
  - a certificate with the list of the previewed exams and the passed exams with grades and credits.
  - family income (facultative, only if you'll apply for further financial aids);
  - other certification about extra curricular activities (facultative).

It is mandatory to fill in the **questionnaire** as well, to be admitted to the admission test. The candidate presents himself/herself to the board of directors of the Hall of Residence through the Questionnaire.

Every other document (language knowledge, sport, volunteering certifications etc) will be examined to integrate and support the application.

The board of directors will examine the application and will admit or not the candidate to the following step, the admission test. So, the candidate must wait for a confirmation by email before going to the Hall of Residence for the admission test on the expected day.

## B. Admission test

The admission test consists in interviews and presentations of the hall of residence's educational program, to understand the candidate's motivation in participating and playing an active role in the Hall's life. In some halls of residence tests, groups dynamics and written exams are previewed. The admission test for international students can be done by videoconference as well.

It's recommended to book as soon as possible the admission test, to have more admission opportunities. The admission process is merit based but depends on the availability of places as well. The result of the admission test is communicated by email. The result of the admission test is based on the following items: academic merit, accuracy and completeness of the application form, acceptance of the educational agreement, soft skills.

## C. Confirming the place

A deposit of Euros 1.000,00 is needed to confirm the place in the hall of residence after passing the admission test and the related communication. The deposit should be payed by the deadline indicated in the email received after the admission test. If the candidate doesn't pay the deposit by the deadline, the place will be given to another student.

## D. Signing the contract

The stay of admitted students in an Hall of Residence is regulated by a contract. The following data are needed to complete the contract:

- ▶ resident personal data
- ▶ a guarantor personal data (i.e. mother, father etc.)
- ▶ family income (facultative, only if you are applying for further financial aids);

These data should be filled in on MyCollege.

The contract must be signed to complete the admission process; it is valid for one academic year and must be renovated each following year.

# 4. Fees and Financial Aids

The Hall of Residence fee covers one year (from 1st September to 31st July) except some specific situations (i.e. the Erasmus students that stay for a shorter time). The annual fee depends on the services provided by the Hall of Residence as described in point 1 of this call and are available on [www.rui.it](http://www.rui.it)

Special rates are available for all international students: annual fees, balanced to the real months of stay, are reduced up to 60%, depending on geographical origin of the international students and the living cost of the destination.
